Teacher Notes

Objective

Students will be able to identify and use common action verbs in English and Spanish, both receptively and productively.

Suggested Use

Introduce verbs with Total Physical Response (TPR) and gestures. Use vocabulary flashcards for practice. Read the mini-book together, pointing to actions and encouraging students to mimic. Complete worksheets as a class or in small groups. Encourage students to create simple sentences using the verbs.

Materials Needed

- Printable vocabulary flashcards (for the 15 verbs)
- Crayons, markers, or colored pencils
- Pencils for tracing and matching
- Scissors (for mini-book assembly)
- Glue or stapler (for mini-book assembly)
- Optional: Whiteboard/chart paper for modeling

Differentiation Tips

Support: Provide strong visual cues and model actions extensively. Pair students with a peer who has stronger English skills. Use sentence frames (e.g., 'I can _____.') for verbal practice. Allow students to point to pictures instead of verbalizing if needed.
Challenge: Encourage students to use the verbs in simple sentences or create their own action drawings. Ask them to act out other action verbs not covered in the pack. Have them describe what they can do using 'I can...' statements.
