Teacher Notes

Objective

Students will be able to identify and use basic health and safety vocabulary in English and Spanish, and understand their importance in daily life.

Suggested Use

Introduce vocabulary using flashcards and realia. Read the mini-book aloud, then encourage students to read along or in small groups. Use worksheets for independent practice, reinforcement, and informal assessment. Facilitate discussions about personal safety and healthy habits.

Materials Needed

Flashcards of vocabulary words with images
Markers or crayons for coloring worksheet
Scissors and glue for mini-book assembly
Chart paper or whiteboard for brainstorming and sentence building
Optional: Real-life examples of safety items (e.g., small helmet, first aid kit)

Differentiation Tips

Support: Provide picture-to-word matching activities. Pair students with stronger English speakers. Allow students to draw their answers or use gestures. Pre-teach challenging vocabulary in smaller groups.
Challenge: Encourage students to write sentences or short paragraphs using the new vocabulary. Have them create their own 'Safety Rules' poster or role-play a scenario where they need to report an emergency or injury.
