Teacher Notes

Objective

Students will be able to identify and name common family members in English and Spanish, using simple sentences.

Suggested Use

Introduce vocabulary with flashcards and realia. Use the mini-book for shared reading and individual practice. Worksheets can be completed independently or in small groups. Encourage students to talk about their own families.

Materials Needed

- Pencils
- Crayons
- Scissors (for mini-book)
- Glue sticks (for mini-book)
- Flashcards of family members (optional)
- Picture dictionary (optional)

Differentiation Tips

For emerging students: Provide sentence frames ('This is my ____.') and point to pictures. Allow students to only identify words in their stronger language first.

For developing students: Encourage them to use both English and Spanish words. Ask them to describe one family member using an adjective.

For expanding students: Have them create their own sentences about their family members. Ask them to draw and label additional family members not covered in the pack (e.g., pets).
