Teacher Notes

Objective

Students will be able to identify and name common community places in English and Spanish, expanding their functional vocabulary for daily life.

Suggested Use

Use the vocabulary cards for flashcard activities and 'I Spy'. Read the mini-book aloud in whole group or small groups. Worksheets can be used for independent practice, homework, or during learning centers. Encourage students to share personal connections to each place.

Materials Needed

- Printed vocabulary cards (for flashcards)
- Printed mini-books (one per student)
- Printed worksheets (one per student)
- Crayons, colored pencils, or markers
- Pencils
- Scissors (for mini-book assembly, if applicable)

Differentiation Tips

For emerging ELLs: Provide sentence frames ('I see the ____.', 'Yo veo el/la ____.') during discussions. Pair students with a strong English speaker or a peer who shares their L2.

For developing ELLs: Encourage them to use the words in simple sentences. Ask 'What do you do at the ____?' to prompt more language use.

For all students: Incorporate realia or pictures of local community places. Use total physical response (TPR) by acting out activities at each place. Play 'Simon Says' with community places (e.g., 'Simon says go to the park').
