Teacher Notes

🎯 Objective

Students will be able to identify and name at least 15 common classroom objects in English and Spanish. Students will use new vocabulary in simple sentences.

💡 Suggested Use

Introduce vocabulary using flashcards and realia. Use the mini-book for shared reading and repeated practice. Worksheets can be completed independently or in small groups. Encourage students to point to and name objects in the classroom.

📦 Materials Needed

Flashcards of classroom objects (included vocabulary)

Real classroom objects (pencil, book, chair, etc.)

Crayons, markers, or colored pencils

Pencils for tracing and writing

Glue sticks for optional extension activities (e.g., cut and paste)

🔀 Differentiation Tips

Support: Provide sentence frames (e.g., 'It's a ___.', 'I see a ___ .'), use TPR (Total Physical Response) by having students touch or point to objects, pair students with a stronger English speaker, use visuals extensively.

Challenge: Ask students to describe objects (e.g., 'What color is the pencil?'), use objects in a sentence, identify objects by their function (e.g., 'What do we use to cut paper?'), create their own mini-book page.
